Re: United States vs. Rolle 20-cr-594 (A.J.N.)

Dear Judge Nathan:

I am writing to again respectfully request that the Court advance my trial to commence at an earlier date than currently scheduled. In light of the upcoming competency hearing, there are no further preliminary matters to be resolved prior to trial.

The Sixth Amendment of the American Constitution provides the right to a speedy and public trial for all criminal defendants. My continued pre-trial incarceration can be arguably described as oppressive. I wish to

exercise my constitutional right to a speedy trial. I am therefore requesting a trial date that commences as soon as possible after 19th July, 2021.

Further, I am requesting the issuance of an order to the Federal Bureau of Prisons recommending I be urgently transferred to the Federal Medical Center in Devens, MA.

Respectfully submitted,
~~Kevin~~ Rolle
